## IES Hosts Annual Exhibition

IES KG and Balodyan, Mumbai recently held its annual exhibition called, 'Kids Lingo'. The theme for the exhibition was, 'learning language in an enjoyable and interactive environment'. The exhibition was inaugurated by Kaipana Singh, lecturer at HMI Nanavati Junior College of Home Science.

The exhibits for the mini, junior and senior KG categories showcased teaching aids and activity games. The mini KG students displayed a

mobile phone and various emojis to learn action words. These students were also tattooed with stamps to learn and identify shapes. The junior KG students displayed letters and phonic sounds with pictures and games. They also performed a short skit on consonants and vowels, table manners and healthy food habits. The senior KG students put up a slideshow on, 'The Rebus Sentence Reading' and included fun activities on story narration and

tongue twisters. The students also emphasised the importance of their mother tongue.
