Splish Splash

The students of Indian Education Society (IES) KG & Balodyan School, Mumbai put up a two-day exhibition called 'Splash' where they showcased everything related to water. The exhibition was presented by all the three sections of the school. Students of Mini KG exhibited their project called 'Seashore' that demonstrated the concepts of high and low, up and down, wet and dry and over and under. Students from Jr KG put up an exhibition called 'Rainy Season', in which they spoke about the season, its climatic conditions and what to eat and wear during the season. They also spoke about the different sources of water and the importance of saving water. Sr KG students dressed up as characters related to marine life, like scuba divers and snorkelers, and showcased marine life forms from different oceans.
